

Bard Youth Fest 2022

Elementary & Middle Schools

(For information on Secondary-level troupes, please click [here](#)).

Join Bard on the Beach Shakespeare Festival in a new program that celebrates young people making Shakespeare their own! Alongside troupes from local schools and communities, your students will embark on a creative journey that culminates with a non-competitive Finale where each troupe will share their unique Shakespeare pieces.

A special note for 2021/2022:

As we continue to navigate the ways schools and communities must respond to the coronavirus pandemic, Bard Youth Fest will adapt as needed to provide online experiences when in-person collaboration isn't possible. Bard Youth Fest is all about exploration, discovery, adaptation, and invention, so it is well-suited to this uncertain time.

Who can participate?

Bard Youth Fest is for school-aged youth (K-grade 12) from across BC. A troupe is a group of anywhere from 3 to 25 students. Troupes may be organized through Elementary, Middle, or Secondary schools, Home Learner groups, or through participants' communities. We welcome participants of all grades and abilities. No experience necessary!

Each troupe will need a **Troupe Champion**, an adult such as a teacher or other staff member, who will be responsible for the troupe's supervision during all Bard Youth Fest activities, as well as communication with students' families. The Troupe Champion will attend all rehearsals as well as the Professional Development Day in January or February and the Dress Rehearsal and Finale in June. They will also help solve student transportation to these events hosted by Bard.

Each troupe will be assigned a **Bard Coach**, a professional theatre artist who will provide advice, support, and coaching to their troupe. All Bard Coaches are experienced Teaching Artists with Bard Education.

What will we do?

Together, each troupe will work under the guidance of their Bard Coach to create their own Shakespeare piece. This will be a student-led journey that is driven by troupe members' skills, interests, and ideas. In June, all troupes will share their presentations and celebrate each other's creativity at the Finale hosted by Bard.

When will it happen?

Rehearsals will occur during class time. Each troupe will work to a slightly different schedule that best suits their needs.
